Volunteers are a vital part of the Maker community - it’s our team of passionate and dedicated volunteers that make the Faire possible!

In collaboration with our small crew of VMMF staff, volunteers create an enthusiastic and supportive space for Makers and attendees to connect, share, and learn. From check-in to tear-down, the Faire weekend relies on the help of over 100 volunteers. Whether assisting attendees at the front gate, performing Maker-Happiness duties, coordinating presenters at the main stage, providing assistance at the information booth, facilitating creativity at the hands-on activity areas, or directing pedestrian and vehicle traffic during set-up and tear-down, VMMF volunteers are the face of the Faire. We expect our volunteers to perform their duties to the best of their abilities, and to have a safe and fun experience with effective and supportive leadership from our staff.
